

GROW IN CONFIDENCE IN YOUR AUTISM

The **Greater Manchester Autism Consortium** is pleased to announce the launch of a new group, exclusively for autistic adults, to allow them to meet other people, discuss matters of general interest, and share their experiences and ideas.

The initial meeting will be held virtually on Zoom on:
Thursday 28th April 2022 from 6.30pm to 8.30pm.

This meeting will be used to agree on group rules and put together an initial programme for the first few months of the group. The intention is to have a topic for discussion, often with a short initial presentation, but with the majority of the time devoted to a group discussion.

Numbers for each meeting will be limited to 20, and places can be booked on a first-come first-served basis on the **National Autistic Society's** Eventbrite listing. If you wish to attend but are unable to access Eventbrite, please contact either of the group administrators (details below) to reserve a place.

Going forward, the intention is that meetings will be held monthly on the third Thursday of each month from 6.30 to 8.30pm.

The group administrators are:

Emmy Clarke – emmy.clarke@nas.org.uk

Mark Simpson – mark.simpson@nas.org.uk

Mark can be contacted on 07876746403 if you do not have access to e-mail.
